

CERTIFICATE OF REGISTRATION

This is to certify that

Canadian Certified Reference Materials Project

CANMET Mining and Mineral Sciences Laboratories (Natural Resources Canada)

555 Booth Street, Ottawa, Ontario K1A 0G1 Canada

operates a

Quality Management System

which complies with the requirements of

ISO 9001:2008

for the following scope of registration

The registration covers the Quality Management System for the design and provision of certified and custom reference materials to laboratories associated with mining, mineral processing and environmental activities. These materials are prepared predominantly from materials of Canadian origin. A proficiency testing program is provided to foster an improvement in the quality system of the laboratories mentioned above.
