

An easy guide to saving energy: **LOOK FOR THE BLUE STAR**

SAVE TIME

The symbol is a short-cut to find top energy performers

SAVE ENERGY

Certified products are in the top **15-30%** in their class for energy performance

SAVE MONEY

Using certified products cuts utility bills

PROTECT THE PLANET

Using certified products **lowers greenhouse gas emissions** – the GHG's saved from using ENERGY STAR® products was equal to taking 100,000 cars off the road this year!

YOU HAVE THE POWER

Choose from over **80 types** of ENERGY STAR certified products for home and work

WHAT'S BEHIND THE SYMBOL?

HIGH QUALITY

They perform the same or better than standard products but are designed to save energy and money

TESTED & CERTIFIED

They are tested to meet or exceed strict technical specs. Energy performance is certified by a third-party
