

# Natural Resources Canada

## Smart Renewables and Electrification Pathways Program

### Continuous Intake

### Project Registration Form

**CONFIDENTIAL WHEN COMPLETED**

#### Notes:

1. The information requested in this Project Registration Form corresponds to the requirements of the terms and conditions for the Smart Renewables and Electrification Pathways Program (SREPs).
2. Project applications submitted under SREPs may qualify for other initiatives within the Government of Canada.
3. Natural Resources Canada (NRCan) strongly recommends that Applicants read the SREPs “Continuous Intake Applicant Guide” before completing this Project Registration Form.
4. Once completed, if any part of this Project Registration Form contains confidential or proprietary information, please highlight the relevant text.
5. Please note that submission of a Project Registration Form is a prerequisite before submitting a SREPs “Technical and Financial Project Application.” Program staff will provide a Project Application package following review of an Applicant’s Project Registration Form.
6. The completed Project Registration Form must be submitted as a signed PDF. Incomplete Project Registration Forms will not be reviewed.
7. **Email address for submission:** [nrcan.sreps-erite.nrcan@canada.ca](mailto:nrcan.sreps-erite.nrcan@canada.ca)

<b>1. Contact Information</b>	
<b>Legal Name of Organization:</b>	
<b>Mailing Address:</b>	
<b>Contact Name and Role:</b>	
<b>Telephone:</b>	
<b>Email:</b>	

<b>2. Eligibility of Organization and Project</b>

<b>If “Other” or multiple types, please describe:</b>	
<b>Project Location:</b>	
<b>Total Project Cost:</b>	
<b>Net Capacity in MW (AC), or TJ for heat (if applicable):</b>	
<b>Project Timeline:</b>	Start date: _____ End date: _____
<b>Project overview/summary (300 words maximum):</b>	

**4. Attestations**

**By signing this Project Registration Form, the Applicant:**

1. Attests that they have read and agree to the Program’s Continuous Intake Applicant Guide;
2. Attests that, before receiving funding, the organization will be legally registered or incorporated in Canada;
3. Attests that the information provided is true and accurate to the best of their knowledge;
4. Understands that any costs incurred for the submission of the Project Registration Form are at the Applicant’s own risk;
5. Attests that they are the owner of all Project Registration Form information—proprietary, confidential or otherwise—or, if the information belongs to another party, that they have obtained written consent to disclose the information to Natural Resources Canada (NRCan);
6. Understands that project funding decisions will be made following receipt and review of the full Project Technical and Financial Application;
7. Understands and acknowledges that no liability, commitment nor obligation exists on the part of NRCan to make a financial contribution to the project until a written contribution agreement is signed by both parties;
8. Understands that NRCan reserves the right to alter the current process, funding amounts and deadlines, or to cancel the entire process at its sole discretion;
9. Understands that federal reviewers are bound by the requirements of the *Access to Information Act* and the *Privacy Act* regarding the treatment of confidential information;
10. Understands that NRCan reserves the right to share this Project Registration Form, and any other information provided as supplemental material, with other support entities of the Government of Canada.

**The Applicant agrees, by checking below**, that NRCan may share this Project Registration Form, and any other information provided as supplemental material, with other support entities of:

- a. Provincial, territorial or municipal governments
- b. The not-for-profit sector, such as Sustainable Development Technology Canada and the Green Municipal Fund

**Sign below to confirm having read and understood the statements above:**
