Privacy Notice

Natural Resources Canada is committed to protecting the privacy rights of individuals and safeguarding the personal information under its control.

“Personal information” is defined as any information, in any form, about an identifiable individual; refer to section 3 of the **Privacy Act** for further details regarding personal information. Personal information collected by Natural Resources Canada is protected from disclosure to unauthorized persons and/or agencies subject to the provisions of the *Privacy Act*. Individuals have the right to the protection of and access to their personal information and to request corrections where the individual believes there is an error or omission. Individuals may contact the Department’s Access to Information and Privacy Protection Division to request corrections.

Personal information is collected under the authority of the **PSE 918**, which is detailed in Info Source, and is handled in accordance with the *Privacy Act*.

Failure to provide this information may result in your request not being processed. You have the right to file a complaint with the Privacy Commissioner of Canada over NRCan’s handling of your information.

PROJECT INFORMATION

Provide a statement of interest*

If you have a **preferred mentor** and **project location**, list them here.

Although we cannot guarantee you will be placed with your preferred mentor, we will do our best to accommodate all student-mentor requests.

Project Title

Project Outline*

Please ensure to submit a copy your project outline with your application. Ensure that the outline is no more than 2 pages long and is a PDF file. If your project outline is not received or is unreadable, your application may be disqualified.

Anticipated project output (multimedia presentation, report, short film, etc.)

We understand that this question may have a fluid answer and that your current anticipated output may not remain your desired output at the end of your research. Your response here is not binding.

How did you hear about the SINEWS Project?*
