

NOTICE OF ADDENDUM

August 27, 2015

From: *Surveyor General of Canada Lands*

Addendum 1.2

Addendum to: *Getting a Survey Done (1.0)*

Object: *Chapter 5: Nunavut*

The following modifications, additions, omissions, clarifications and corrections herein shall constitute an official amendment to the document it refers to.

DETAIL

This Addendum is published to modify 8 sub-sections in *Chapter 5: Nunavut* of the publication *Getting a Survey Done (1.0)*. Those sub-sections are the following:

- I. Amendment of sub-sections **3** and **7** of section **5.1.1 Surface Rights**.
- II. Amendment of sub-section **4** of section **5.1.2 Mineral Claims**.
- III. Amendment of sub-section **4** of section **5.1.3 Oil and Gas Rights**.
- IV. Amendment of sub-section **6** of section **5.2 Territorial (Commissioner's) Lands**.
- V. Amendment of sub-section **4** of section **5.3 Inuit-Owned Lands**.
- VI. Amendment of sub-sections **2** and **9** of section **5.4 Titled Lands**.

- I. Amendment of sub-sections 3 and 7 of section *5.1.1 Surface Rights*.

Chapter 5: Nunavut

5.1.1 Surface Rights

Land Administration

...

- 3. AANDC's Land Administration Office in Iqaluit maintains a Land Administration Registry that contains leases, permits, and other land interest documents for Territorial Lands (Federal Lands) in Nunavut. Information on surface dispositions and permits is available online in AANDC's GeoViewer (Spatially Integrated Dataset).

...

Sales

- 7. The *Territorial Lands Act* and Section 9 (1) (2) of the *Territorial Lands Regulations* contain survey provisions regarding the sale of Territorial Lands. However, the policy of AANDC is to lease, not sell, land.

II. Amendment of sub-section 4 of section 5.1.2 *Mineral Claims*.

Chapter 5: Nunavut

5.1.2 Mineral Claims

Land Administration

...

4. Documents pertaining to mineral rights are recorded in the Mining Recorder's Office in Iqaluit. Mineral tenure information is available online in AANDC's GeoViewer (Spatially Integrated Dataset).

III. Amendment of sub-section 4 of section 5.1.3 *Oil and Gas Rights*.

Chapter 5: Nunavut

5.1.3 Oil and Gas Rights

...

Survey Requirements

...

4. A Canada Lands Surveyor engaged to conduct a survey must open a survey project in MyCLSS before commencing the survey (see *Section 1.6: Commencement of a Survey Project* in this publication), and must consult with the Surveyor General Branch in Iqaluit, Nunavut to determine whether or not the grid area in which the Canada Lands Surveyor will be working has been established by a prior survey approved by the Surveyor General.

IV. Amendment of sub-section 6 of section 5.2 *Territorial (Commissioner's) Lands*.

Chapter 5: Nunavut

5.2 Territorial (Commissioner's) Lands

...

Survey Requirements

Sales

6. Under Section 3 of the *Commissioner's Land Act* (NU), the Commissioner may sell Commissioner's Lands. However, the practice is to first transfer the land to a municipal corporation, and the corporation arranges for disposal of the land. An approved plan of survey prepared in accordance with the instructions of the Surveyor General must be filed in Nunavut's Land Titles Office in Iqaluit before the land can be transferred.

V. Amendment of sub-section 4 of section 5.3 *Inuit-Owned Lands*.

Chapter 5: Nunavut

5.3 Inuit-Owned Lands

...

Land Administration

...

4. The table below provides administrative and contact information for Inuit-Owned Lands and for certain islands in Hudson Strait and Hudson Bay jointly owned by the Nunavut and the Inuit of Northern Quebec of Nunavik under the *Nunavik Inuit Land Claims Agreement*.

VI. Amendment of sub-sections 2 and 9 of section 5.4 *Titled Lands*.

Chapter 5: Nunavut

5.4 Titled Lands

...

Land Administration

...

2. Online, real-time search capability for land titles information is available in the Nunavut's Parcelized Online Land Registration (POLAR) system.
