

## Energy-efficient homes

# An EnerGuide\* home evaluation: The first step in smart renovations

- Make your home more comfortable
- Renovate with confidence
- Save on utility bills

If you're thinking of renovating or making any changes to your home, get an energy efficiency checkup first. Start with an EnerGuide home evaluation and get third-party expert advice on best ways to improve the energy efficiency of your home and save money.

Visit [nrcan.gc.ca/homes](http://nrcan.gc.ca/homes) to learn more and find information on how to book a home evaluation with a licensed service organization that works with energy advisors in your area.
